Support Safe Drinking Water

W.A.T.E.R.:

Water in Africa Through Everyday Responsiveness

From openair,
unsafe water
source...

TO

...Clean bore-
hole for the
community

“ When you saw me thirsty...”

9 million Ghanaians
lack safe drinking water

Women and children
walk long distances to
fetch unsafe water

- Incorporated as 501(c)3 non-profit organization in 2006
- All volunteer organization with no paid staff. Over 90% of your donated money arrives in the villages.
- 29 water projects functioning
- Every project has a local Water and Sanitation Committee made up of men and women and they are trained to:
 - Keep water source clean
 - Collect fees from community for maintenance, and
 - Make small repairs on the borehole
